

Active Physiotherapy Mackay

our vision: To improving the health of Mackay's community by being the best physiotherapy providers in the region

our mission: Is that every patient consistently receives high quality and compassionate care

our values

EXPERTISE

We utilise the best scientific knowledge and our team's vast clinical experience to work with you in a client centred approach.

CARE

We care about your health, and always act professionally with integrity, respect, privacy and confidentiality.

COMPREHENSIVE

We will take our time with you, and be great communicators to develop collaborative holistic goals, improve health literacy and achieve great treatment outcomes.
